Engine Removal: This is an advanced page, I'm not going to go into super detail on the simpler items. If you can't figure it out just by doing it, this whole job is probably over your head. A lift makes this easier, although it'snot a requirement. Observe all proper safety procedures, jack stands etc. This is obviously involved & requires the highest precaution levels,as you WILL spend MUCH ...

By the time Nissan introduced an all-new 300ZX, the Z32 variant, for the 1990 model year, the once game-changing sports car had -- in the eyes of many -- lost its way, growing more comfortable but less entertaining. The new generation brought a fresh and modern look, and a focus on performance that replaced the prior model's turn toward luxury.
