C or Do is the first note of the C major scale, the third note of the A minor scale (the relative minor of C major), and the fourth note (F, A, B, C) of the Guidonian hand, commonly pitched around 261.63 Hz. The actual frequency has depended on historical pitch standards, and for transposing instruments a distinction is made between written and sounding or concert pitch.

The next important line is `int main()`. This line tells the compiler that there is a function named `main`, and that the function returns an integer, hence `int`. The "curly braces" (`{` and `}`) signal the beginning and end of functions and other code blocks. You can think of them as meaning BEGIN and END. The next line of the program may seem strange.
