Two great things about *Conquest of the Useless* 1) Werner Herzog writes exactly the same way he talks, so it's no trouble at all to imagine him personally reading this book to you in that trademark flat Bavarian drawl. It would make the perfect accompaniment to a midnight road trip through a Louisiana bayou where you ran out of gas, sank into mud up to your wheel wells, were bitten by several cottonmouth moccasins and then had your throat slashed by swamp-dwelling sociopaths.

Conquest of the Useless: Reflections from the Making of Fitzcarraldo. Werner Herzog is one of our most revered contemporary filmmakers, a visionary director who ceaselessly tests the boundaries of art. Fitzcarraldo, his lavish 1982 film about a would-be rubber baron who pulls a steamship over a hill to access a rich rubber territory, was hailed by critics around the globe and won Herzog the 1982 Outstanding Director Prize at Cannes.

Conquest of the Useless: Reflections from the Making of Fitzcarraldo (Ecco, 320 pages, \$24.99) By Werner Herzog. In the long history of troubled movie productions, Werner Herzog's Fitzcarraldo stands in an honored place alongside Apocalypse Now and Heaven's Gate. The story of Herzog's literally Sisyphean determination to push an actual, multi-ton steamboat over a mountain between two rivers—as does the hero of the film (played by Klaus Kinski)—has been told before by documentarian ...

"But the question that everyone wanted answered was whether I would have the nerve and the strength to start the whole process from scratch. I said yes; otherwise I would be someone who had no dream left, and without dreams I would not want to live."
