In finance, an option is a contract which conveys its owner, the holder, the right, but not the obligation, to buy or sell an underlying asset or instrument at a specified strike price prior to or on a specified date, depending on the form of the option.Options are typically acquired by purchase, as a form of compensation, or as part of a complex financial transaction.

Option (finance) - Wikipedia

In business, terms such as corporate culture and company culture are often used to refer to a similar concept. The term corporate culture became widely known in the business world in the late 1980s and early 1990s. Corporate culture was already used by managers, sociologists, and organizational theorists by the beginning of the 80s.
