### John Lilburne And The Levellers

John Lilburne (1614 – 29 August 1657), also known as Freeborn John, was an English political Leveller before, during and after the English Civil Wars 1642–1650. He coined the term "freeborn rights", defining them as rights with which every human being is born, as opposed to rights bestowed by government or human law. In his early life he was a Puritan, though towards the end of his life he ...

This edited book assesses the legacy of Lilburne and the Levellers 400 years after his birth, and features contributions by leading historians. They examine the life of Lilburne, who was often imprisoned and even tortured for his beliefs, and his role as an inspirational figure even in contemporary politics.

### John Lilburne and the Levellers | Taylor & Francis Group

John Lilburne (1615–1657), or 'Freeborn John' as he was called by the London crowd, was an important political agitator during the English Revolution. He was one of the leading figures in the Levellers, the short-lived but highly influential radical sect that called for law reform, religious tolerance, extended suffrage, the rights of freeborn Englishmen, and a new form of government that was answerable to the people and underpinned by a written constitution.

### John Lilburne and the Levellers: Reappraising the Roots of ...

John Lilburne was one of the most prominent Levellers. The Levellers campaigned for a radical shake-up of England's political system and Lilburne was the movement's most famous member. To his supporters, John Lilburne was 'Free-born John'. John Lilburne was born in 1615. His family were reasonably well off and were from the lesser gentry.
