Geologic Time Scale Lab - studylib.net

Answer Key Geologic Time Scale Worksheet 23 Answers ... The geologic time scale is divided into several spans of time. From longest to shortest they are: Eons, eras, periods, epochs, and ages.

Answers To Geologic Time Scale Lab - modapktown.com

The activity sheet guides students through creating a scale of geologic time and then has students use that math to calculate how far down their timeline their events should be marked. The timelines are then integrated in a "Geologic Timeline Race" sheet where students must investigate the timelines made by other students to fill out their sheet.
