If you have multiple streams of internet income, the loss of one income stream will not devastate you the way losing your only stream would. If you rely on only one source of income and that single income source goes away, then you go broke and have to start all over again. Even if you have one site that gives you all your entire income for now

Robert G. Allen

Synopsis of Content:.

Allen's thesis here is threefold: first, that you can make serious money on the internet, that it is the gold mine of the future; second, that in order to maximize internet opportunities you must exploit several of them, or what he calls multiple streams, and third, done right this is a fast way to ...
