Sir John Franklins Erebus And

Franklin's lost expedition was a British voyage of Arctic exploration led by Captain Sir John Franklin that departed from England in 1845 aboard two ships, HMS Erebus and HMS Terror, and was assigned to traverse the last unnavigated section of the Northwest Passage in the Canadian Arctic.

Franklin's lost expedition - Wikipedia

In 1845, British explorer Sir John Franklin set out on a voyage to find the North-West Passage--the sea route linking the Atlantic Ocean to the Pacific. The expedition was expected to complete its mission within three years and return home in triumph but the two ships, HMS Erebus and HMS Terror, and the 129 men aboard them disappeared in the Arctic. The last Europeans to see them alive were the crews of two whaling ships in Baffin Bay in July 1845, just before they entered the labyrinth of ...
